

BALLET ARTS ENSEMBLE

ESTABLISHED IN 1982

WHAT WE DO

Each year, since 1982, dancers between the ages of 12-18 audition to become members of this non-profit performing ballet ensemble. Led by Artistic Director Betty Kondo, dancers train and perform in two major public productions a season in Kalamazoo and the surrounding area, along with exciting opportunities to partner with other local arts productions and community outreach programs. These dancers benefit from a variety of guest artists and choreographers throughout the year, as well as opportunities to dance with live professional musicians, including our long-standing partnership with the Kalamazoo Symphony Orchestra. BAE also offers dancers scholarship opportunities for extended dance education in summer programming during their time with the ensemble. BAE has awarded over \$50,000 in scholarships since 2003.
